The Attempt to Destroy Our Children

A Prayer for Sinners

Bible Verse for the Day: For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. John 3:16

Thoughts for the Day: If you were to die today, where would you spend eternity?

What to Prayer for Today: Pray for someone who has hurt your heart. Jesus did.

Blessing to All:

By: Richard Pickard

In John 1:1 we see, "In the beginning was the Word, and the Word was with God, and the Word was God." And in John 1:14, "And the Word was made flesh."

Sometimes we forget that Jesus is the Word of God and is God.

Why did Jesus have to leave Heaven and be born man? We see the answer in John 1:9-13. "The true light that gives light to everyone was coming into the world. He was in the world, and though the world was made through him, the world did not recognize him. He came to that which was his own, but his own did not receive him. Yet to all who did receive him, to those who

believed in his name, he gave the right to become children of God, children born not of natural descent, nor of human decision or a husband's will, but born of God."

Children of God. These words are powerful. Don't read over them without understanding the meaning. This extravagant outpouring of our heavenly Father's love made the apostle John marvel: "See what great love the Father has lavished on us, that we should be called children of God! And that is what we are!" (1 John 3:1).

In the world we see a dramatic example of those who are children of God and those who are children of Satan.

God's children by their examples lead Christian lives and teach their children likewise.

Children of Satan stand for abortion for non-medical reasons.

The children of Satan, kill infants in the womb; are found in corrupt politicians; in the dishonest media; in the federal justice systems which favors certain individuals while prosecuting others; those who supply drugs to adults and children to addict them and make children into sex slaves; in the addiction of pornography and those that profit from it; and those who are slaves to serious sin who find delight of the flesh, while losing their eternal soul.

In New York at the Pride Parade, June 2023, the LGBTQ marches chanted "We're Here, We're Queer, We're Coming for Your Children", over and over again.

The children of Satan are openly showing their true colors.

These are hard moral times in the world. Never have we seen such lies about what was good is now bad....and what is bad is now good. The upside-down philosophy that is being crammed down our throats and broadcasts around the world through the controlled media is truly what Christ spoke of in the later days. Are these the last time before the great chastisements and the second coming of Christ?

"For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life, and only a few find it. Beware of false prophets, who come to you in sheep's clothing, but inwardly they are ravenous wolves. You will know them by their fruits. Do men gather grapes from thornbushes or figs from thistles? Even so, every good tree bears good fruit, but a bad tree bears bad fruit. A good tree cannot bear bad fruit, nor can a bad tree bear good fruit. Every tree that does not bear good fruit is cut down and thrown into the fire. Therefore, by their fruits you will know them. Matthew 7:13-20.

"But mark this: There will be terrible times in the last days. People will be lovers of themselves, lovers of money, boastful, proud, abusive, disobedient to their parents, ungrateful, unholy, without love, unforgiving, slanderous, without self-control, brutal, not lovers of the good, treacherous, rash, conceited, lovers of pleasure rather than lovers of God— having a form of godliness but denying its power. Have nothing to do with such people." 2 Tim 3:1-5

Our time on earth is brief. God knows when each of our lives will end. Now is the time to persevere in faith and trust in Jesus and for those not living a good life, now is the time to change your life. Ask Jesus to come into your life. **He is waiting to hear from you!**

¹The Attempt to Destroy Our Children

By: Eduardo Verastegui

WAR ON OUR CHILDREN: Child trafficking, pedophilia grooming, transgender, rape, torture, ritual sacrifice, organ harvesting, abortions and the use of a powerful drug Adrenochrome is being exposed in the true story in the film the *Sound of Freedom*. Millions of innocent children are forced, coerced, and sold throughout the world to satisfy the depravity of men and women who are involved.

Elon Musk and Ivanka Trump are joining the fight to win this war against our innocent children. Millions around the world are waking up to the horrific truth that our children are being targeted by Top Elite wealthy Bloodlines known as the Committee of 300. Millions around the world are waking up to the horrific and disgusting truth that our children are being targeted.

The Sound of Freedom, to be released July 4, 2023, tells the story of Tim Ballard, portrayed by actor Jim Caviezel, best known for his role in "The Passion of the Christ." See his full video about what he discovered in

the filming of this movie about child sex trafficking and the worldwide organization to sell children into sex slaves at <https://twitter.com/i/status/1673739826385010688>. (control & left click)

The film chronicles special agent Tim Ballard. After working as a special agent for years at the *Department of Homeland Security*, Ballard quit his job and embarked on a mission to save child-trafficking victims. Today, he runs the organization [Operation Underground Railroad](#) (control & left click) and works with law enforcement to rescue children from the darkest recesses of our world. The *Sound of Freedom* was filmed 5 years ago and a **strong effort was made to make sure this film never reached the public's eyes. Amazon and Netflix refused to show this movie years ago. This delay in the movie has cost the lives and freedom of millions of innocent children who are trafficked every year.**

Politicians and peoples from all levels of society around the world are all involved in this war against our children. This is a fight for our civilization and the lives of our children. The media which is controlled by the wealthy Pedophile Oligarchs have been hiding this from the public for years, but that all ends now.

Epstein Island was not the only child sex trafficking island, there are many child sex trafficking islands and Tim Ballard takes down one of them in the true story of *The Sound of Freedom*. This movie will motivate hundreds of whistleblowers to reveal what is really going on in the world. This film will help us win this war.

The United States is the number one consumer of child sex in the world. Mexico is the number one provider. 60% of all child pornography consumed in the world is produced in Mexico.

Look at what is happening at the border right now in America. Where is President Joe Biden? Why are the officials of Mexico and the United States not at the border trying to save the children? Because they are all involved. It's going to take the people to end this war against our children.

U.S. Health and Human Services whistleblower Tara Lee Rodas, testified under oath that 85,000 unaccompanied migrant children are being trafficked for sex and labor through a sophisticated network that begins with recruiting in home countries and ends when HHS delivers the child to an unchecked Sponsor who could be anyone. She (the whistleblower) goes on to testify that "the United States

Government has become the middleman in a large scale multi billion dollar child trafficking operation that is run by bad actors seeking to profit off the lives of innocent children." Live child trafficking video footage from the U.S. border shows this horrible truth.

Over 2 million innocent children every year are trafficked and sold for sex, rape, and torture. You need to understand that when an adult male rapes a child they rip this little child's body apart and it must be sown back together over and over again.

Why has child sex trafficking become the number one criminal network in the world? Because the demand to have sex with children is growing and because unlike a bag of cocaine which can only be sold once, a child's little body can be sold by the minute and up to 20 to 30 times a day.

What if this was your child being brutally raped over and over again? These children are suffering from the worst type of life on earth. We must all fight this war and be soldiers, soldiers for the children who need us to rescue them and give them their lives and freedom back.

BABIES RAPED AND TORTURED: Pedophile Disney World Employee charged with 540 counts of child pornography from newborns to 8 years of age. He had photographs and videos of babies tied up to be raped as young as weeks old. Her hands were tied up behind her back. Babies being raped.

These innocent children as young as a few weeks old are being terrified, screaming and in excruciating pain while being raped by adult men who are literally tearing the baby girls flesh apart and we sit here as a society and let this continue to happen to millions of innocent children every day. We need to rise up and defend these children. This is a war on our children.

In this Florida Polk County Sheriff's Office Child Porn Sting Operation 8 men were arrested and charged with 1,280 felony charges involving pedophilia and child pornography. Most of these men were married and lived a double life hiding their crimes. Some worked for Disney, Publix, Best Buy and Coca-Cola.

It was discovered by the detectives that parents are allowing their children to be photographed naked. This is a widespread sexualization of children not only in the home, but in the schools. Parents who are supposed to protect

their children from sexual exploitation and harm, have now become the perpetrators themselves.

This is a fraction of what is really happening in the United States and around the world. It is all controlled at the highest level by a Committee of 300 who controls all the three letter government agencies. This is a 152-Billion-dollar criminal business. Millions of children every year are trafficked for rape, torture, organ harvesting, ritual sacrifice and Adrenochrome.

There are millions of secret Pedophile Child Predators in our society from all the way to the top of the Committee of 300 to the politicians, presidents, prime ministers, actors, scientists, media anchors, priests, law enforcement, intelligence agents and military men they control. Then you have the average pedophiles such as these 8 men who were arrested. This is a global pedophile child trafficking war.

The Sound of Freedom is a true story of the horrors of child trafficking. It is based on the real operation and life of Tim Ballard who has rescued hundreds of thousands of children from a life of rape and torture.

The Sound of Freedom was finished 5 years ago and was purchased by Disney who is heavily involved in Pedophilia and child trafficking. Disney purchased the film in order to make sure no one would see it. Disney had no intentions on showing the film. Netflix and Amazon also refused to show this film. This tells you clearly that Elite Pedophiles rule our world.

This is an atrocity and a disgust to the very existence of humanity. The most powerful people in the world are behind the 152-billion-dollar child rape, torture, murder, child trafficking and pedophilia networks in the world. This must end now. We will no longer allow them to victimize and sell our innocent children.

This is a warning to all Pedophiles and Child traffickers including the Committee of 300 who controls it all. We are not afraid of you. We are coming for you with a vengeance for the blood and innocence that you have stolen from millions of innocent children around the world. There will be no mercy for you.

A Prayer For Sinners

Come, Holy Spirit, fill my heart with Your holy gifts.

Let my weakness be penetrated with Your strength this very day that I may fulfill all the duties of my state conscientiously, that I may do what is right and just.

Let my charity be such as to offend no one and hurt no one's feelings; so generous as to pardon sincerely any wrong done to me.

Assist me, O Holy Spirit, in all my trials of life, enlighten me in my ignorance, advise me in my doubts, strengthen me in my weakness, help me in all my needs, protect me in temptations and console me in afflictions.

Lead me out of serious sin into the light of purity, honesty, and let my words be always directed with truth. Prevent others from tempting me beyond my strength and be my guide and friend each day of my life.

Graciously hear me, O Holy Spirit, and pour Your light into my heart, my soul, and my mind. Assist me to live a holy life and to grow in goodness and grace. Amen.

Empowered to Change International

Mission Statement: We believe that living in a home free from abuse, bullying, narcotics or alcohol is essential in the healing process. While each person is going through therapy, life coaching and employment when ready, we believe the key is coming home to a safe place. We provide a comprehensive program that brings an individual from life crippling circumstances to a safe and clean environment. We empower our participants with the tools to obtain employment while receiving treatment based on their individual circumstances as well as therapy and life coaching as needed. We believe that the pillars of living a sober life and being a positive contributor to the community are honesty, accountability, and sobriety.

Empowered to Change International knows that it will take the entire community to enter into the fight for the sexually exploited, and aid in the transformation of the one who exploits. "For the One" is a customized program for our Survivors of Human Trafficking and substance abuse that comes with the trauma. Each individual will help create their own trauma informed plan for their healing. We desperately want to see the victim be healed, while craving to disrupt the pattern of victim creation and stop the cycle of the perpetrator. We aspire to holistically reform both the survivor and the buyer; to bring about redemptive justice, healing and restoration for the individual and the community. Many times, the victim becomes the victimizer if trauma therapy, healing and education does not come into play.

By partnering with community advocates to provide a wide variety of assistance, we help each individual enter into the reformation process, and become transformed to experience wholeness and healing. A safe environment is part of that process. While we provide safe housing, a strong support system, education, and employment, we pair it with a holistic model of healing that empowers the survivor to step into a new life that leaves behind the bondage. Within this model, a unique case plan is tailored to each individual's needs. Restoring to the point before the exploitation is not enough. We want them to be restored to the true intention of their life.
